

Quality Of Life

Our new “Shelby County Entrepreneurial and Technology Center” to open July 2009.

Myrtue Medical Center offers a wide range of services through its fully accredited hospital, medical, behavioral health and home health clinics. On active staff is general surgeon, seven family practice physicians, two physician assistants, three nurse practitioners, licensed Iowa social workers and a nurse anesthetist.

Eight Paramedics and 80 Emergency Medical Technicians throughout Shelby County provide 24-hour, seven-day-a-week advanced life-support emergency health care coverage. If more specialized health care is needed, only 45-minutes away are some of the Midwest's finest research hospitals in Omaha and Council Bluffs.
